“Epic Epicness” (MATEO’S CREATIVE BOX)

TEASE :10 - (NOTE: Taken from end of the episode.)

Z-BLOB dodges explosions and laser shots and finally get a shot off to hit the Giant Angry Pinata who EXPLODES.

1 MATEO (V.O.) 1
Can you say KA-BOOM?!

2 Z-BLOB (V.O.) 2
(Z-blobish KA-BOOM!) *

IZZIE *
WHOAAA! Izzie and Mateo’s TAG TEAM *
TALES RULE! *

The explosion FILLS THE SCREEN and we...

SMASH CUT TO:

1 INT. MATEO & IZZIE’S LIVING ROOM - DAY 1

MATEO and IZZIE are in their living room. Z-BLOB sits on Mateo’s shoulder making faces to emphasize things.

3 IZZIE 3
Welcome! Are you ready to get creative? ‘Cos we sure are!

4 MATEO 4
That’s right! We are going to tell a Tag Team Tale-- a CRAZY one!

Z-Blob nods along.

5 MATEO (CONT’D) 5
I’ll start and the Izzie will continue the story! And we have to build on each other’s idea.

6 IZZIE 6
Let’s see how wild and weird we can make it!

Mateo picks up his tablet and twirls his pencil between his fingers.

CAMERA TRACKS in on the tablet until it takes up the entire screen. We GO TO:

DREAM WORLD BG - SOMETHING VIDEO GAME-ESQUE

Mateo starts drawing an X-WING-LIKE SHIP (#1)

7 MATEO (V.O.) 7
Time to rock today's story: "Epic Epicness."

8 IZZIE (V.O.) 8
What does that even mean?

9 MATEO (V.O.) 9
Oh, it's, um, "EPIC!" (Announcer Voice) In a world where evil rules, Z-Blob is the only hero who can save the universe! *

Z-BLOB sits in a X-WING type ship and BLASTS through space. *

10 MATEO (V.O.) 10
Yup...old school video game vibes. Z-Blob shooting through space, looking to blast some Alien Pain Brains from the remote planet of Brainsplain! * * *

Z-BLOB POV as he rockets through this VIDEO GAME-LIKE setting, blasting EVIL ALIENS (71491 - The little BRAIN SHIP.) They're shooting a Z-Blob and he shoots back. * *

**Will check if the product still have the BRAIN SHIP.**

11 IZZIE (V.O.) 11
Ugh. Video games? Bro, there's more to life than video games.

Suddenly, RECORD SCRATCH and the MUSIC CHANGES to some bucolic ELEVATOR MUSIC and the BG CHANGES to a nice, BUCOLIC MEADOW. Suddenly, Z-Blob is sitting in a tiny little car (#2). He putts along slowly. * *

12 MATEO (V.O.) 12
What are you doing?

13 IZZIE 13
Z-Blob should stop and smell the flowers, enjoy some nature.

Z-Blob stops his little car next to a LEGO FLOWER and... *

**LEGO flower (small element)**

14 Z-BLOB (V.O.) 14
(Z-Blob-esque SNIFF.)

15 MATEO (V.O.) 15
Not this again! That car needs a blaster! And Z-blob's into...(Announcer voice) ACTION AND ADVENTURE AND...MORE ACTION! *

MUSIC CHANGES BACK to...pulse-pounding video game tune. Mateo draws up a SCORPION MOBILE (#3) as Z-Blob drives it, FIRST PERSON VIEW, through a sci-fi dreamscape with evil aliens. The vehicle shoots blasts from it's scorpion tail. *

16 Z-BLOB (V.O.) 16
(Adventurous BLERK!)

17 MATEO (V.O.) 17
Z-Blob races and blasts, blasts and races. He's blowing apart the painiac Pain Brains! *

Z-blob blasts the last of the evil aliens and then NASTY ROBOT MECHS APPEAR (60428) and BLAST him out of his vehicle.

**Will look for another enemy since this one is used in another of the films**

18 Z-BLOB 18
(Worried BLORK!)

19 MATEO (V.O.) 19
No worries, buddy, you need something fast, fierce and flying...

A QUAD DRONE (#4) appears and Z-Blob pilots it through the nasty robot mechs and blasts away at them. He does a loop, side slips, and is about to blast anther robot mech when...

RECORD SCRATCH. Z-Blob gets dropped into a WALKING VEHICLE with a CRANE-LIKE FRONT END (#5). HAPPY MUSIC plays again and the BG SHIFT BACK TO the MEADOW. *

20 IZZIE (V.O.) 20
Suddenly, Z-blob wants to help with the gardening... He becomes a GARDNENING Z-Saurus! *

LEGO Flowers appear all around him. *

21 MATEO (V.O.) 21
Iz! This isn't your story!

**The build mentioned here is no longer in the product, so this will have to be slightly re-worded.**

22 IZZIE (V.O.) 22
It's half my story. And so are these half flower/half people creatures. They need a little path, Z-blob... *

The flowers GET EYES and MOUTHS. They smile and hop around. Z-Saurs starts trample or eat a little path for the flower people. *

**Same flowers as before but with added eyes (drawn).**

23 IZZIE (V.O.) 23
Z-saurus smartly creates a little path for the flower people. So groovy. And so sweet. *

24 MATEO (V.O.) 24
Sweet like drinking a soda while eating a bowl of sugar covered with whipped cream. Gross! I might barf. *

25 IZZIE (V.O.) 25
Just do it on the flowers - it'll help to fertilize them.

Z-Blob and his vehicle start playing with a BUTTERLFY (21342) as it floats THROUGH SCENE. *

26 MATEO (V.O.) 26
Wow, really. Now butterflies. Iz, can't we work together on this? Put our brains together?

27 IZZIE (V.O.) 27
Hmm. It is gettin' a bit too sweet. Maybe you're right. *

MUSIC CHANGES again, back to VIDEO GAME tunes.

28 MATEO (V.O.) 28
What if the flowers grew huge? And Z-Blob had to fight the gigundous, nasty, (Announcer Voice) FLOWER FIENDS?! *

The flowers grow huge, and start SNAPPING At Z-Saurus. He dodges, darts, races around them. Then he bites back at the flowers that <SNARL.> *

**Will find some larger LEGO flowers.**

29 IZZIE (V.O.) 29
Oh, alright, I'll play along. I think it's time he came to...the big boss!

A PINATA APPEARS (40644) FESTIVE, MEXICAN MUSIC comes in.

30 MATEO (V.O.) 30
Izzie, what is THAT?! *

31 IZZIE (V.O.) 31
Ta da! The big boss is a pinata.

32 MATEO (V.O.) 32
A pinata?! (Softens) I mean, I love pinatas! Is it filled with candy? He asked knowing the answer is probably yes. *

33 IZZIE (V.O.) 33
No. *

34 MATEO (V.O.) 34
No?

35 IZZIE ( 35
It’s filled with...bombs!

Bombs come out of the Pinata (use 64728 LEGO DYNAMITE.) The bombs pour out and EXPLODE all around Z-Blob. The MUSIC becomes something between CRAZY FESTIVE and VIDEO GAME FUN.

36 Z-BLOB (V.O.) 36
(Surprised BLERK!)

**LEGO dynamite elements**

37 MATEO (V.O.) 37
(Laughs) That’s so crazy! Who fills a pinata with bombs?! *

Z-Blob dodges and darts - like a video game - as the pinata throws bombs at him.

38 IZZIE (V.O.) 38
I do. In the epic dream world. Also, it’s GIANT and ANGRY!

The Pinata GROWS GIANT, gets ANGRY EYES!

39 IZZIE (V.O.) 39
And shoots lasers out of its eyes.

And then it shoots LASERS out of its EYES in all directions. It blasts Z-Blob’s vehicle to bricks. He goes flying! *

40 MATEO (V.O.) 40
Z-Blob needs the ultimate boss battle mobile - A flying, laser, mega mech! *

41 IZZIE (V.O.) 41
Nice! More lasers! As many lasers as we can get! * *

Lasers start shooting EVERYWHERE. Mateo draws up the FLYING LASER MECH MOBILE (#6) and battles the laser shooting Giant, Angry Pinata! *

**Will find some wings to add to the pinanta.**

42 IZZIE (V.O.) 42
But the angry giant Pinata can fly!

It sprouts butterfly wings and flies O.S. *

43 MATEO (V.O.) 43
Totally epic boss battle for Z-Blob.

44 IZZIE (V.O.) 44
Now I get it - (Annoucer Voice) *
IT'S EPIC EPICNESS! *

Exciting music as Z-Blob flies after the Giant, Angry Pinata. They're both shooting at each other. The Pinata drops bombs, shoots lasers, and tries to take out the Flying Mech.

CLOSE: Z-Blob. He gets super focused on winning this.

45 Z-BLOB (V.O.) 45
(Triumphant BLORB!) *

46 MATEO (V.O.) 46
Z-BLOB dodges explosions and laser *
shots and finally get a shot off to *
hit the Giant Angry Pinata who *
EXPLODES into a shower of CANDY! *
Can you say KA-BOOM?!

47 Z-BLOB (V.O.) 47
(Z-blobish KA-BOOM!)

2 INT. MATEO & IZZIE'S LIVING ROOM - DAY 2

Mateo and Izzie are in the living room. Mateo holds his pad.

48 IZZIE 48
Wow! That was so crazy and far-fetched.

49 MATEO 49
Sure was! So, job well done!

The camera nods along with Z-Blob on Mateo's shoulder.

50 MATEO (CONT'D) 50
We hope you enjoyed this Tag Team Tale.

51 IZZIE 51
Feel free to tell one yourself, with your friends or family.
